**REPORT OF THE TRUSTEES  
FOR THE YEAR ENDED 31 DECEMBER 2017**

---

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 December 2017. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015).

**OBJECTIVES AND ACTIVITIES**

**Objectives**

The charity's objectives are to promote and assist the work and purposes of the Church in Wales in the Diocese of Bangor. The Diocese of Bangor is committed to three visionary principles: worshipping God; growing the Church; and loving the world. These principles describe the diocese's deepest hopes and ambitions, expressing the permanent essence of our common life. Assessing the diocese today through the lens of these long-term principles, three urgent and clear priorities have also been identified: nurturing disciples; growing new ministries; and welcoming children, young people and families. These priorities describe vital areas of contemporary focus. In order to make manifest these principles and to meet these priorities, the diocese has committed to planning in three key areas: mission; property; and finance. Planning in these three areas by each of the diocese's Ministry Areas will enable each Ministry Area to demonstrate in practical ways the meaning of the principles and priorities within their common life. Three new platforms (Ministry Areas; archdeaconries; and re-shaped diocesan structures) now enable the diocese to plan meaningfully, and to bring its principles and priorities truly to life.

**Significant activities**

The charity sets the annual diocesan budget, receives the annual grant from the Representative Body of the Church in Wales, and oversees the collection of the Bishop's Ministry Fund (contributions from churches towards diocesan expenditure on ministry). The charity employs the staff team that form Tim Deiniol, based at Ty Deiniol in Bangor and elsewhere in the diocese.

**Public benefit**

The trustees have paid due regard to the Charity Commission's guidance on public benefit in deciding the activities undertaken during the year. The trustees are satisfied that the information provided in the report and accounts meets the public benefit reporting requirements.

**ACHIEVEMENT AND PERFORMANCE**

**Charitable activities**

The Diocesan Board of Finance has continued to support the work of establishing the three new diocesan platforms: Ministry Areas; archdeaconries and their associated Synod meetings; and re-shaped diocesan structures. The charity has also continued to seek to align its resources to the diocesan principles and priorities, including by continuing to invest in resources to nurture discipleship, discern vocations and support family ministry. The main thrust of the charity's activities continues to focus on the provision of ordained leadership for the churches of the diocese, and appropriate support for these leaders. A clearer articulation of principles, priorities, plans and platforms is seen as providing greater coherence to this mainstay activity, as well as to bespoke new activities that advance particular aspects of the vision.

**Investment performance**

The value of the charity's investments rose during the year, reflecting the upturn in the Stock Market and the wider economy.

**Internal and external factors**

The overall number of people attending churches in the diocese has remained static, although within the context of a long-term downward trend. However, an upward trend in the number of families involved in the life of local churches, as well as in the number of those attending acts of worship on days other than Sunday, has continued.

**FINANCIAL REVIEW**

**Principal funding sources**

The principal funding source is income from the Bishop's Ministry Fund. The Bishop's Ministry Fund system replaced the Parish Share system in 2015, and contributions from Ministry Areas towards the Bishop's Ministry Fund in each subsequent year, including 2017, have been consistently strong. The trustees acknowledge with thanksgiving the generosity and stewardship that enables such funds to be made available to meet the cost of ministry. A secondary funding source is the annual grant from the Representative Body of the Church in Wales. The trustees look forward to clarity surrounding the value of the grant from the end of the current funding triennium in 2018.

**Investment policy and objectives**

The trustees seek a level of investment income that is able to support a range of important charitable activities at a time of change, recognising that achieving such a level of income may, in the case of some investments, pose some challenges to the secondary goal of maintaining capital value. The trustees work with their investment managers to assess the ethical dimensions of their investment portfolio, prioritising the use of shareholder rights to achieve the advancement of a progressive ethical agenda through the investment portfolio.

**FINANCIAL REVIEW**

**Reserves policy**

The trustees' objective is to maintain an operational reserve of approximately 3 months' expenditure, alongside an expendable endowment geared to provide investment income that is able to support a range of important charitable activities.

**FUTURE PLANS**

The trustees will continue to focus their resources on activities that support the diocese's clearly articulated principles, priorities, plans and platforms.

**STRUCTURE, GOVERNANCE AND MANAGEMENT**

**Governing document**

The charity is controlled by its governing document, a deed of trust, and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006.

**Recruitment of new trustees**

In addition to ex-officio trustees, new trustees are recruited to maintain a balance of skills and experience, as well as an appropriate representation of ordained and lay representatives.

**Organisational structure**

The Board of Trustees generally has between twelve and fourteen members. The trustees meet on average four times a year to review progress and to plan for the future. They also present a report to the annual Diocesan Conference. The trustees are also members of the Diocesan Conference Standing Committee.

**Decision making**

The decision-making role of the trustees is supported by preparatory work by Tim Deiniol and the Bishop's Council, and by conferring within archidiaconal Synods and the Cadfan Group of Ministry Area Leaders. The alignment in membership between the trustees and the membership of the Diocesan Conference Standing Committee also ensures that decisions about the use of resources are fully informed by the Standing Committee's oversight of broad strategic considerations.

**Induction and training of new trustees**

New trustees are inducted through a series of meetings with Tim Deiniol, the Bishop's council and the Auditors. Trustees are briefed on new charity law developments as they arise, and are given updates on the current issues facing the charity during their regular meetings.

**Key management remuneration**

Remuneration of the charity's key management personnel is located within the context of the remuneration structure of Tim Deiniol more broadly, and with reference both to the remuneration arrangements for the clerical leadership of the diocese and the pay structure of the Representative Body of the Church in Wales.

**Wider network**

The charity supports the life and witness of the Diocese of Bangor, led by the Bishop of Bangor and governed by the Bishop in collaboration with the Diocesan Conference. The Diocese of Bangor is one of six dioceses of the Church in Wales. Given the charity's role in organising and providing funds for the Diocese of Bangor, it works closely with the Representative Body of the Church in Wales. The Representative Body holds assets in trust on behalf of the archbishop, bishops, clergy and laity of the Church in Wales - currently some 1,500 churches, 650 parsonage houses and £370 million of investments.

**Related parties**

Due to the nature of the charity's operations and the composition of the Board of Trustees it is inevitable that transactions will take place with organisations in which a member may have an interest. All transactions involving organisations in which a trustee may have an interest are conducted at arms length. The charity has a policy that all trustees must declare an interest if a related party transaction occurs.

**Risk management**

The trustees have a duty to identify and review the risks to which the charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error.

**STATEMENT OF TRUSTEES RESPONSIBILITIES**

The trustees (who are also the directors of Bangor Diocesan Board of Finance Bwrdd Cyllid Esgobaeth Bangor for the purposes of company law) are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland".

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the trustees are aware:

- there is no relevant audit information of which the charitable company's auditors are unaware; and
- the trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditors are aware of that information.

**AUDITORS**

The auditors, Williams Denton Cyf, will be proposed for re-appointment at the forthcoming Annual General Meeting.

Approved by order of the board of trustees on ..... and signed on its behalf by:

.....  
The Right Reverend A T G John - Trustee

**REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF  
BANGOR DIOCESAN BOARD OF FINANCE

**Opinion**

We have audited the financial statements of Bangor Diocesan Board of Finance Bwrdd Cyllid Esgobaeth Bangor (the 'charitable company') for the year ended 31 December 2017 which comprise the Statement of Financial Activities, the Balance Sheet, the Cash Flow Statement and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'.

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members as a body, for our audit work, for this report, or for the opinions we have formed.

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 December 2017 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland'; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

**Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Conclusions relating to going concern**

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the charitable company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

**Other information**

The trustees are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our Report of the Independent Auditors thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**Opinion on other matters prescribed by the Companies Act 2006**

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Report of the Trustees for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Report of the Trustees has been prepared in accordance with applicable legal requirements.

**Matters on which we are required to report by exception**

In the light of the knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the Report of the Trustees.

**REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF  
BANGOR DIOCESAN BOARD OF FINANCE  
BWRDD CYLLID ESGOBAETH BANGOR**

---

**Matters on which we are required to report by exception**

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the trustees were not entitled to take advantage of the small companies exemption from the requirement to prepare a Strategic Report or in preparing the Report of the Trustees.

**Responsibilities of trustees**

As explained more fully in the Statement of Trustees Responsibilities, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

**Our responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Independent Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our Report of the Independent Auditors.

**1. ACCOUNTING POLICIES**

**Basis of preparing the financial statements**

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention with the exception of investments which are included at market value, as modified by the revaluation of certain assets.

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern.

**Income**

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

**Expenditure**

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

**Allocation and apportionment of costs**

Certain expenditure is directly attributable to specific activities and has been included in those cost categories. Certain other costs, which are attributable to more than one activity, are apportioned across cost categories on the basis of an estimate of the proportion of time spent by staff on those activities or estimated usage.

**Tangible fixed assets**

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Freehold property	- not provided
Fixtures and fittings	- 10% on cost

No depreciation is provided on freehold property because the trustees consider that the life of the property and its residual value are such that depreciation is not material. Any impairment in the carrying value of fixed assets is charged against the profit and loss account.

**Investments**

All listed investments are stated at market value at the balance sheet date. The movement in valuation of investments is shown in the Statement of Financial Activities and comprises both realised and unrealised gains and losses.

**Stocks**

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

**Taxation**

The charity is exempt from corporation tax on its charitable activities.

**Fund accounting**

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

**Pension costs and other post-retirement benefits**

The charitable company operates a defined contribution pension scheme. Contributions payable to the charitable company's pension scheme are charged to the Statement of Financial Activities in the period to which they relate.
