

# Season of Harvest

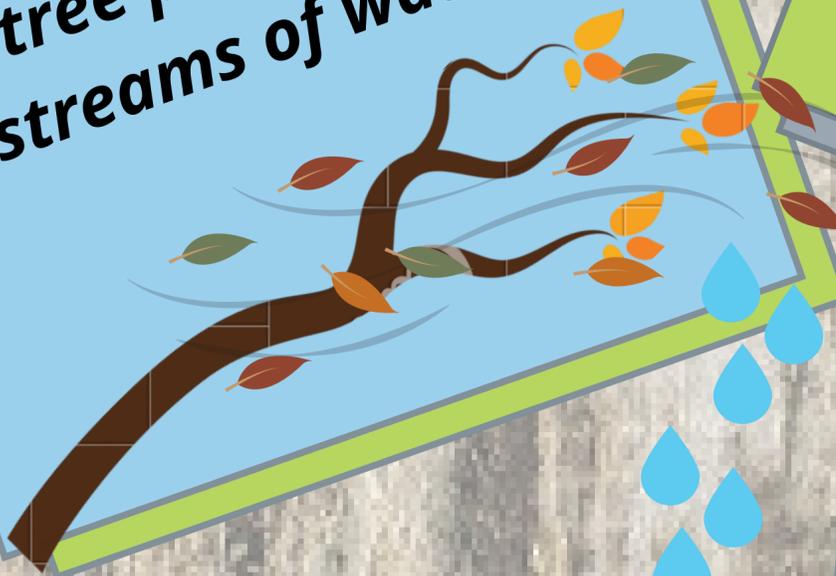

Care for creation

Psalm 1:3

'That person is like a  
tree planted by  
streams of water'

Psalm 1:3 describes  
the person as a tree.

What kind of tree  
would you like to  
be?

A strong oak tree...  
a willow tree with  
graceful branches...  
a caring tree ...  
providing  
shelter.

Nature is amazing... a tiny acorn grows into a huge, beautiful oak tree. In the same way our words and actions can make a big difference too.

We can all help nature by caring for each other and for our beautiful planet.
