

## Yn cyflwyno Digwyddiadau Bywyd

Drwy gydol mis Tachwedd, bydd yr Eglwys yng Nghymru yn cynnal cyfres o ddigwyddiadau ar draws y 6 esgobaeth i lansio ei menter 'Digwyddiadau Bywyd' newydd. Nod y prosiect yw cefnogi gweinidogaethau eglwysi lleol wrth iddyn nhw estyn cymorth i deuluoedd ac unigolion wrth iddyn nhw drefnu digwyddiadau bywyd; priodas, angladd, bedydd.

Mae yna amrywiaeth eang o ddeunyddiau wedi eu hargraffu ar gael, ynghyd â 100 tudalen o syniadau ymarferol ar-lein. Ewch i gael golwg ar beth sydd ar gael [www.stpadarns.ac.uk/cy/digwyddiadaubywyd](http://www.stpadarns.ac.uk/cy/digwyddiadaubywyd).

## Gweinidogaeth ar gyfer yr Eglwys Gyfan

Mae ein hymchwil yn dangos nad yw aelodau rheolaidd eglwysi yn gwybod llawer am ddigwyddiadau bywyd eu heglwys, and mae hyd yn oed llai ohonyn nhw yn cymryd rhan allweddol ynddynt. Fe welir priodasau, angladdau a bedyddiadau fel cyfrifoldeb y gweinidog, ynghyd ag aelodau eraill o'r uwch dim. Ond, fe all yr eglwys ehangach chwarae rhan allweddol wrth roi cymorth hefyd.

Rydym ni'n gwybod, bod cadw mewn cysylltiad gyda phobl cyn ac ar ôl digwyddiadau bywyd allweddol yn cael ei werthfawrogi'n fawr. Ynghyd a bod yn ffordd effeithiol o gysylltu pobl ag eglwys mae hefyd yn eu hannog nhw i archwilio eu ffydd Gristnogol.

Felly, rydym ni wedi cynhyrchu cyfres o fideos byr ysgafn i ddilyn sy'n cynnig syniadau ymarferol ar sut ydych chi a'ch eglwys yn medru cymryd rhan. Gallwch ddod o hyd i'r fideos ar [www.stpadarns.ac.uk/cy/digwyddiadaubywyd](http://www.stpadarns.ac.uk/cy/digwyddiadaubywyd) Edrychwch am y pennawd 'Gweinidogaeth i'r Eglwys gyfan'.

Cysylltwch â'ch ficer lleol i weld beth allwch chi wneud i helpu cefnogi gweinidogaeth Digwyddiadau Bywyd eich eglwys.

## Introducing Life Events

Throughout November, the Church in Wales is holding a series of high-profile events across all 6 dioceses to launch its new 'Life Events' initiative. This exciting project is aimed at supporting local church ministries to individuals and families at key times in their lives such as weddings, christenings and funerals.

There are a wide variety of printed materials now available, along with over 100 pages of ideas and practical suggestions available online. Take a look at what's available at [www.stpadarns.ac.uk/lifeevents](http://www.stpadarns.ac.uk/lifeevents).

## A Ministry for the Whole Church

Our research tells us that many regular church goers know very little about their church's life events ministry, and fewer still are actively involved. Weddings, christenings, and funerals are often seen as the responsibility of the vicar, along with perhaps one or two members of the leadership team. However, the wider church can play a major role in offering support.

We know that keeping in touch with people before and after significant life events is greatly valued by them, as well as this being an effective way of connecting people to a church and encouraging them to explore the Christian faith.

So, we've produced a series of short, uplifting videos offering a wide range of easy and very practical suggestions about how you and your church can get more more involved. Please take time to watch, and to think and pray about how you can get involved. You will find the videos here [www.stpadarns.ac.uk/lifeevents](http://www.stpadarns.ac.uk/lifeevents). Look for the heading 'A Ministry for the Whole Church'.

Please get in touch with your local vicar to see what you can do to help and support your church's Life Events ministry.
